- Companionship Care
- Morning "Perk-up" at Rising

- Errand Services
- Laundry
- Light Housekeeping
- Meal Preparation
- Evening "Tuck-in" Service
- And Much, Much More

Our goal is to match the caregiver's skill and personality with client's need. We believe that our high standard for caregivers coupled with our ongoing attention to the caregiver/client relationship is the key to the success of Home Helpers. All of our caregivers are: Reliable and Compassionate; Employees of Home Helpers; Covered by Workers' Comp; Bonded and Insured; Thoroughly Screened (Criminal Background Check, SS# Trace, Driving Record); Trained and Oriented for Each Assignment; and Introduced to Each Client Prior to the Start of a Care Program

Home Helpers is flexible. A caregiver can be available on an hourly, daily or weekly basis - 24 hours, seven days a week.

Through Home Helpers, we look forward to playing a greater role in our community. Please let us know if you, or anyone you know, is in need of any of the above services or would be interested in becoming a caregiver. Caregivers are simply individuals with a caring heart and some free time to spend helping others. Each client has a unique set of needs. We make sure that all assignments are within the scope of the caregiver's capabilities. Michael Doepke (708) 783-1220

Pleazing Petz Pet Services

provides several different types of in-home services for pets and their owners.

Pleazing Petz Pet Photography will come to your home and photograph your pet and family. By coming to you, your pet has less stress. Sittings take about 1-2 hours. Photographs can be taken in either color or black and white and have the choice of natural or backdrop settings. Pictures are taken digitally, which allows clients to view their photos on the spot. Sitting fees and photo packages are reasonably priced. Appointments are required. No appointments between Thanksgiving to New Years.

Pleazing Petz Dog Obedience and Consultations will come to you. Topics are customized to the client's needs. Appointments are usually one hour. Time can be spent training basic obedience commands or focus on select behavioral issues. Don't have time to spend with your dog each day to train? We also offer daily walking/training sessions. We will come and take your dog for a walk while reviewing training commands. Other services can be accommodated upon request.

Pleazing Petz Pooch Pawties are the newest craze of house parties. Pet lovers can host a Pooch Pawty and invite their family and friends (with or without their pets) to come to your home for a few hours of pet fun. Guests will have the opportunity to purchase a variety of unique pet products while having the opportunity to have a good time with others that share the same interests. Upon request, Pleazing Petz Pet Photographer, Rich Schmidt, can attend and photograph your pets (prints reasonably priced). **Pleazing Petz is not responsible for owner's pets, and their pet's behavior and actions, during Pooch Pawties**

To schedule, please contact Tina Schmidt at (815) 603-5839.
